

United Learning
The best in everyone™

join us

to celebrate the launch of our innovative
'ENVIRONMENTAL MANAGEMENT SYSTEM (EMS)'
by attending one of three
'RESOURCE EFFICIENCY EVENTS'
being hosted by United Learning in February 2015
(see Response Form for details)

These informative sessions will provide a platform from which to:

- build more sustainable methods of operation
- learn how share best practice regarding EMS within your schools and academies
- make cost savings on purchases and supplies
